

AMERICAN SOCIETY FOR
ENOLOGY AND VITICULTURE
Advancing Knowledge. Inspiring Solutions.
Since 1950

Join ASEV

Are you Interested or Currently Working in a Career
in Enology or Viticulture?

MEMBER BENEFITS

Navigating the wine and grape world can be daunting. ASEV provides access to a community of professionals — a network in the wine and grape industry — vital for future success.

- Become connected with others through the ASEV Platform e-newsletter, the ASEV National Conference and special interest groups.
- Members are recognized each year through society awards, published works, scholarships, research presentations, competitions and much more!
- Members receive access to AJEV and discounted publishing fees.
- Students receive deep discounts for membership while at school and reduced rates as early career members.
- Join a specialized professional community dedicated to the interest of enology and viticulture
- Access to ASEV members worldwide
- Network with industry leaders from around the world
- Discounted rates at conferences: **ASEV National Conference & Unified Wine and Grape Symposium**
- Scholarship opportunities
- Mentorship opportunities
- Research presentation opportunities
- Poster sessions
- Access to internship or job listings
- Professional career development
- Opportunities for publication and career awards
